INFO & PRICING

THE FULL FERRIS

ADVANCED PROGRAM

The Full Ferris (advanced) program is for dogs who are needing rehabilitation in the areas of **dog/animal aggression, severe reactivity, human aggression, severe fear/anxiety and/or for owners who are seeking more advanced real-world obedience & safe Off-Leash Reliability with their dog.**

IT COVERS:

Everything included in the Basic Program:

- How a dog learns
- Motivating your dog to work with you
- Genetic Fulfilment
- Leash Manners
- Proper Socialisation
- Structure & Boundaries within the home
- Recall (coming when called)
- Down-stay (Impulse Control)
- Building Confidence where necessary

PLUS:

- **A Holistic Approach to Rehabilitation of aggression towards dogs/humans/other animals;** via consistent habit-changing techniques, a personalised approach which we can adjust to your individual dog at any time, combining private sessions, group classes, other clients dogs to help your dog forward **and** working in real world locations.
- **Assistance in teaching your dog how to interact safely with other dogs/humans.** Unlike most other trainers in Perth I put a large focus on socialising dogs and teaching them (and you!) what safe, appropriate interaction looks like.
- **Safe, reliable Off-Leash Reliability** if applicable to your dog.

THE FULL FERRIS
